

Come and join us for our next meeting

Bugs on the Move

Insects and other invertebrates use a range of different signals to find mates, food and habitats. What are these signals? Is climate change affecting bugs?

Dr Ian Bedford

Research Entomologist

BBC Radio Norfolk and Suffolk's Resident

Entomology Expert 'Bug Man'

Also Christmas drinks and nibbles.

Monday 16th December 2024 7.30pm

Friendship Hall, Cawston Road, Aylsham,
NR11 6DS

Subscription Annual £20. VISITORS are
